

We call for Partnership and Funding Opportunities to strengthen our impact on more lives in rural communities of the Western Cape

'The value of money isn't what it can buy, but how many people we can help!'

Casidra SOC Ltd is a reputable Provincial Government Business Enterprise and implementing agent for the Western Cape Government with multiple large projects and programmes in the sector. **Casidra** has attained more than 30 years of unqualified audit reports, which confirms its sound financial governance and capabilities. The Company's legal mandate is Agriculture and Economic Development within a Rural and Land Reform context.

Donor organisations (Local, Provincial, National and International) are invited to come on board and consider supporting Casidra in its endeavours towards establishing thriving and self-sustainable rural communities in the Western Cape.

Partnerships and Funding can contribute towards our Key Programmes, namely:

- 1 Food security projects** to support disadvantaged communities for their wellbeing.
- 2 Smallholder farmers** in developing their businesses.
- 3 Environmental initiatives** for sustainable economic development your financial support will improve the quality of life of rural communities.

Your involvement will not only benefit development in rural areas, but also the economic empowerment of the Province as a whole.
