

BID CONSULTANCY (Pty) Ltd

WE STAND OUT, AMONGST THE OUTSTANDING

Who We Are

BID Consultancy is a training company that is dedicated to empowering entrepreneurs and small businesses to unlock their true potential.

Our comprehensive training programs and personalized guidance equip our clients with the knowledge, tools, and strategies they need to navigate the ever-evolving business and entrepreneurial landscape successfully. We are committed to providing exceptional value and building long-lasting partnerships, enabling our clients to achieve their goals and drive sustainable growth.

Our Mission

We believe in a client-centric approach, tailoring our services to meet the unique needs and objectives of each organisation. Our seasoned consultants work closely with clients to understand their challenges, develop strategic roadmaps, and execute effective solutions.

Our Offer

-  Courses that are accredited and quality assured by the QCTO in various industries.
-  Non-accredited soft skills aimed at the development of individuals wanting to improve in the workplace.
-  Procurement assistance services - reviewing vender database forms, tender preparation and tender training.

P-E-P Strategy

The company's strategy, known as Passionately Empowering People (P-E-P), is built on the following principles:

Passionately

Transferring the the founder's passion for development and improvement through training and service delivery.

Empowering

Building an empowered team and company culture that reflects in business conduct and service efficiency.

People

Recognising the importance of people as the most valuable resource and focusing on their development.
